Docket No. 98-N-1265  
Food and Drug Administration  
5600 Fishers Lane Room 1061  
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I  
OBJECT to the definition of "inordinate amount" which restricts the availability and  
the right to obtain necessary compounded medications by limiting the number of  
prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

Comments: Please reconsider your plans on  
this bill. I need my H.R.T very specialized  
due to migraine headaches. These services  
are not available from large companies

Thank you for  
your consideration.
